From the desk of Ellen Daly...

May flowers! Hooray! The weather is beautiful this time of year. Along with our everyday fun activities, we will be celebrating Cinco de Mayo and Mother's Day this month. I wish a Happy Mother's Day to all of the moms and grandmas!

Our first theme will be "Under the Sea". Did you realize that there is more water than land on earth! The sea has special plants and animals that we will learn about.

Our second theme is "Alphabet Adventures". We will review all the letters from A to Z with fun games, sign language, and craft projects.
